

2015 Reunion Registration Details

Please Read Carefully-we've changed to a 2 step process.

For previous reunions, event registration and payments were taken care of on the website. However, for the 2015 reunion we will be collecting your registration information and ticket requests by a "paper" system and not electronically. We are doing this as a committee to reduce the administrative costs and in order to simplify the international monetary transactions and reduce the fees that are charged. We are using PayPal to collect the fees for the reunion tickets. The ticket prices are all in Euros and you do not need to have a PayPal account to pay for your tickets. You can use information we will send you, after you are registered, to pay through PayPal with your credit card.

Please register and order tickets as a family group as much as is possible for your family as this will reduce the workload for the volunteer reunion committee.

You can fill out and email your completed registration and ticket request form to:

Eva Doherty Gremmert odochartaighreunion@comcast.net

You can fax your completed form to +1(425)333-4348

Or if you prefer you can mail your completed registration and ticket request form.

The mailing address is: Eva Doherty Gremmert
35702 NE 80th St.

Carnation, WA 98014 USA

The registration form and ticket request form is two pages. (Guests purchasing All Event Tickets, please register for your morning and afternoon classes on 29 July.)

Once we have received your registration and ticket request form, we will send you an invoice through PayPal to the email address listed on your registration form.

We are asking that you pay for your tickets as soon as is possible for your group. This will help us with making the deposits we need to make to the various venues and suppliers.

Should you be unable to attend the reunion after registering, any monies that have been paid for the reunion will be refunded to you up until April 1, 2015. If you cancel your reservation between April 1, 2015 and June 15, 2015, all your money will be refunded to you except for €40.00 per person. This amount will be considered a non-refundable deposit after April 1, 2015, so we are able to cover the reunion supply costs which will have been ordered at that time. There will be no refunds after June 15, 2015 as we will be committed to numbers registered for each event after that date. The tickets are transferable. Tickets will be picked up at the first event you are attending.

After receiving your registration and ticket request form, the balance of your event tickets fees will need to be paid on the following schedule.

40% of the balance	January 10 th , 2015
30% of the balance	March 10 th , 2015
The final 30%	May 10 th , 2015

You can always pay the entire amount at any time before the payment due dates if that would be easier. You can easily return to PayPal and make the payment you wish to make. The tickets for many of the events are limited so register early to reserve your place.

Book now to avoid disappointment.
